## Information

- It is planned to take part in five races
- The race car is a TMG GT 86 CS-V3 and it starts in the V3 class
- The costs of the race (nominal and operating costs, accidents, insurance, etc.) are covered by TOYOTA Motorsport GmbH (TMG)

## Terms and Conditions

- The driver has to own a full race gear (suit, HANS, gloves, etc) to current FIA standard
- The driver must have the appropriate driver's license (at least National A License)
- The driver pays for travel and hotel costs
- The driver must be 18 years old and not older than 28 years
- Since it is an international team good English skills are desirable
- Proof of racing experience on the Nordschleife (at least ten races) must be provided by results lists and submitted with the application materials

## Timing

- The application deadline is 7. April 2013
- A selection of candidates will be invited for interviews. The conversation takes place during the VLN run on 12-13.04.13 at the Nürburgring.
